DESCRIPTORS *Black Community; Black Culture; *Blacks; Child Welfare; *Community Support; Family Relationship; *Family Structure; *Networks; Older Adults; Public Health; *Social Life
IDENTIFIERS *Support Systems

ABSTRACT

This bibliography of published books and articles on informal support systems focuses on such support systems especially as they exist for blacks. Works on the elderly, the poor, and other minorities are also cited. Topics covered include family structures, community relations, child welfare, health care, and social class and economic issues. The approximately 375 citations are arranged alphabetically by author. (APM)
